HOME NATIONS INTER-CLUB CHAMPIONSHIP

## Season 2024

*We offer Junior Teams the opportunity to play against each other at first class venues in the hunt to become our Scotland Champion and represent Scotland at the JTG Home Nations Final.*

*Our Competition is well established in Scotland, having been held for almost 30 years and we are proud that, as a Handicap Event, we give young golfers, both boys and girls, of a broad range of abilities, the chance to compete at a high level. We hold Regional Quarter Finals, National Semi Finals around Scotland then, ultimately, a National Final at one of Scotland's premier Courses.*

### YOUR INVITATION TO ENTER THE 2024 JUNIOR TEAM GOLF CHAMPIONSHIP

Clubs around Scotland with Junior Sections are eligible to enter the 2024 Junior Team Golf Championship. Both Boys and Girls are welcome as we encourage all Juniors. The Championship is a Handicap Competition with a maximum of 20.4 for both Boys and Girls. Teams at each stage of the competition consist of six players drawn from a maximum squad size of 12 players. The format for play at each event in the competition is a single Strokeplay round with the best Scratch Score from the top three players then four from the next five Net Scores giving a final Team total. The sixth players score would become "live" in the event of a tie.

The top two teams from each Quarter Final progress to either the North, West or East National Semi Finals. The top two teams from each National Semi Final will ultimately play in the Scotland National Final. The 2024 Scotland National Final will be played at Stirling Golf Club.
